The excursionists will be provided by the police boats.

OFFICE OF THE DAILY APPEAL.
MEMPRIS, August 27, 1887. Money matters continue to wear a duit and stoild aspect. Collections are very hard, if not impossible, to make, and the amount of deposits are necessarily very small. Currency shipments continue to flow away from us, and such will be the case until the advent of the new crop, or until the lat of October.

Gold opened in New York at 40 c, and closed at 41c. This market is not as variable as that of New York, and purchases to-day were made at 394c. In a few instances 40c was paid, but they were exceptional cases.

Silver is taken at 29 to 31c, as to size of lots precented. The aggregate sales of the day were vary small.

City scrip is in fair demand, and the offerings are better than for the past few deep the continue of the day were vary small.

City scrip is in fair demand, and the offerings are better than for the past few deep the continue of the day were vary small.

City scrip is in fair demand, and the offerings are better than for the past few deep the continue of the day were vary small. The weather is warm and cloudy, in-

offerings are better than for the past few days. Dealers buy at 55 to 56c, and sell Departures. There is some better inquiry for county warrants, which have been much neg-W. R. Arthur, New Orleans, Rubicon, St. Louis, Enterprise, Alkanssa river.

demand to day, and dealers, though not advancing on their offering rate of 65c, are demanding 73 to 75.

Police scrip has lost favor, and the demand for it seems to fall off daily among dealers. 70 to 75c continues to the buying rates. Selling at 75 to 76c.

Exchange is very access with but a ected of late. There was a fair counter Boats In Port. MISCELLANEOUS. Exchange is very scarce with but a light demand. Boying at par to 1-5 premium, and selling at \$\frac{1}{2}\$ to \$\frac{1}{2}\$ premium on all northern and eastern cities.

Business was nothing to speak of on the river bank to-day. The arrival of the Rowens was the only incident worth mention. She brought forly-two bales

ten years old, and yet walks breakly and retains all her faculties perfectly.

The Nashville Banner is rejoicing at the prospect of seeing the Black Crook in that city, and the editor frankly delivers himself thus: "We are glad of it. We like the ballet. We like short dresses and pretty feet and ankles, and don't care who knows it. We are tired of the ever virtuous Lady of Lyons. We consider the Stranger a miscrable old cheat." And then follows some sensible remarks about such persons as pretend to see harm in such exhibitions of graceful action and fine forms.

serned, is very silly and not calculated to make business improve with them. It may be that they want no way passengers, but we rather guess that is not the case. The Mississippi on her last trip up got several Cairo and St. Louis passengers, but she also lost many because the agent of the line at Vicksburg failed to telegraph and have her adverti The Arthur came upon us like a thief in the night; no news of her approach was received. All that was known of her was her departure from St. Louis. She lost The Enterprise came in last evening from St. Louis and departed for Little

Rock. Her guards were badly broken in sparring off between Cairo and St. nearly three days aground between here and Calro, passed down last night. In taking the Flora on the dry dock below this city, we learn that she was badly broken amidships, and it will cost the dock company about \$1000 to repair order for a fishing excursion to Mound

02

City. We know of more than one person who is abstaining from all edibles so The Jasper burst a supply pipe on Fuesday while racing with the Johnson, above St. Louis, and had to return to that port for repairs. No one burt this time-just wait.
